Graduation Regalia

The academic dress worn by graduates and faculty dates back to clothing worn by scholars during the Middle Ages. Long gowns and hoods provided scholars much needed warmth in unheated buildings. The style of the gown indicates the distinction between the bachelors, masters, and doctoral degrees. The lining of the hood identifies the school conferring the degree, and the trim marks the field of study. Our Bachelor graduates wear a hood with blue and white silk lining representing Steinbach Bible College and red trim for theology. Our Associate graduates wear a shield of blue and white with a cord trim of red for theology. Academic dress is worn at this graduation ceremony symbolizing respect for the role of scholarship in discovering truth in God's Word and God's world.
